

Classroom Computer Setup:

The image shows a Windows Start Menu with various application icons on the left and a navigation pane on the right. The 'Splashtop Streamer' icon is highlighted with a green box. A tooltip is visible over the icon, displaying the file path: 'Location: SRServer (C:\Program Files (x86)\Splashtop\Splashtop Remote)\Server'. The navigation pane includes options like 'Booker, Vaughn', 'Documents', 'Pictures', 'Music', 'Recent Items', 'This PC', 'Control Panel', 'PC settings', 'Devices and Printers', 'Default Programs', 'Help and Support', and 'Run...'. At the bottom of the Start Menu, there is a search bar with the text 'Search programs and files' and a 'Log off' button.

Locate the Status tab Change Computer name to match classroom

A screenshot of the Splashtop Streamer application window. The window has a title bar with the Splashtop logo and the text 'splashtop streamer'. On the left side, there is a vertical menu with the following items: Status (highlighted with an orange bar), Settings, Security, Advanced, Sharing, and About. The main content area is divided into sections: 'Computer Name' with the value 'CLSPE220' and an edit icon; 'Connection Status' with the text 'No active session'; and 'Splashtop Account Login' with the text 'Log in so your computer can be accessed remotely.' Below this are input fields for 'Email' (containing 'example@example.com') and 'Password' (containing 'Your password'). There is a 'Log In' button and two links: 'Forgot your password?' and 'Create a Splashtop Account'. At the bottom right of the window, there is a link that says 'Log into Splashtop Enterprise.'

A Windows desktop environment. The desktop background is a blue and white graphic for "UNIVERSITY RESEARCH WEEK 2018" with the text "THE DATES" and "Weeklong Campus-wide Celebration November 5-9". A "splashtop streamer" window is open, displaying security settings. The window has a sidebar with "Status", "Settings", "Security", "Advanced", "Sharing", and "About". The "Security" section is active, showing options for "Require additional password to connect": "Require Windows login" (unselected), "Require security code" (selected), and "No additional password" (unselected). Below this, there are two password input fields. The "Request permission to connect" section has options: "Reject connection after request expires" (unselected), "Allow connection after request expires" (unselected), and "Off" (selected). The desktop also shows various application icons on the left, including Acrobat Reader DC, Skype, Google Chrome, RealPlayer, Mozilla Firefox, iTunes, Google Earth Pro, QuickTime Player, Adobe Creative Cloud, VLC media player, Microsoft Edge, QTV, Microsoft Teams, and a file named "Splashtop iPad 2017.pptx". The taskbar at the bottom shows the Start button, taskbar icons, and the system tray with the time 10:58 AM on 8/16/2018.
